**OL REIGN MEDIA GUIDE**

**OL REIGN 2020 NWSL CHALLENGE CUP PRELIMINARY ROUND SCHEDULE**
One of the eight inaugural members of the National Women's Soccer League, OL Reign was founded in 2012 as Seattle Reign FC by owners Bill and Teresa Predmore. The club played its first season at Starfire Stadium in Tukwila, Washington, before moving to Memorial Stadium in Seattle in 2014. The club won consecutive NWSL Shields in 2014 and 2015, finishing at the top of the table both seasons. Head coach Laura Harvey was named the NWSL Coach of the Year for the 2014 and 2015 seasons. The club missed the playoffs in 2016 and 2017, before returning in 2018 in its first season under head coach Vlatko Andonovski. On January 30, 2019, OL Reign announced that it would begin playing its home matches at Cheney Stadium in Tacoma, Washington. The club reached the NWSL semifinals for a second consecutive season in 2019, before Andonovski departed the club to accept the head coaching position with the U.S. Women’s National Team.

In November of 2019, it was announced that Bill and Teresa Predmore had entered into exclusive negotiations to sell the club to OL Groupe, the parent company of Olympique Lyonnais. The sale was announced on December 19, 2019, with OL Groupe becoming 89.5% owners, Bill and Teresa Predmore retaining a 7.5% stake, and four-time NBA champion Tony Parker holding a 3.0% stake. In March 2020, the club officially unveiled its new name and crest ahead of the 2020 season.

* Award began in 2017 season
Benstiti enters his first season with OL Reign in 2020. The French head coach is one of the most experienced and accomplished managers in women’s professional soccer. Benstiti has delivered eight domestic league titles in three countries (France, Russia, and China), taken both Olympique Lyonnais and PSG to the UEFA Women’s Champions League final, and has worked with some of the world’s best female footballers during his 20 years as a coach.

Born in Lyon, France in 1967, Benstiti began his professional career as a midfielder with Olympique Lyonnais in 1984. Benstiti spent 16 years as a professional player at various French clubs before becoming the head coach of FC Lyon’s women’s side in 2001.

When FC Lyon was acquired by OL Groupe in 2004 and rebranded as Olympique Lyonnais Féminin, Benstiti was retained as manager and led the club to four consecutive Division 1 Féminine championships from 2006-2010, along with three Coupe de France trophies.

After leaving OL in 2010, Benstiti found success in Russia, leading WFC Rossiyanka to a Russian Women’s Championship title in 2012 while simultaneously serving as the head coach of the Russian women’s national team.

A return to France saw Benstiti take the helm of Paris Saint-Germain in 2012, whom he guided to four straight second-place finishes and an appearance in the finals of the UEFA Women’s Champions League.

Now, after three league titles in the Chinese Women’s Super League with Dalian Quanjian, Benstiti comes to the Puget Sound hoping to bring further success to OL Reign while respecting what has made the club special.

Sam Laity
Assistant Head Coach

Laity holds a UEFA “B” License and worked with local youth clubs like Pacific Northwest Soccer Club, Dos FC, Westsound FC and Pacific Premier. He holds an NSCAA Master Coach Diploma and has worked as a regional NSCAA staff instructor.

Carrie Kveton
Assistant Coach

During that span the club secured three league titles and two second-place finishes, as well as two Danish cups. Kveton holds a UEFA “Pro” license.

Ljupco Kmetovski
Goalkeeper Coach

Kmetovski returns for a second season with OL Reign. The Macedonian keeper coach, who holds a UEFA “A” License and a UEFA “Pro” goalkeeper license, oversaw a keeper corps that kept seven clean sheets and maintained a 1.125 goals against average in 2019.

Ahead of the 2020 season, the NWSL announced that it had reached a multi-year deal with CBS and Twitch that will see the league’s matches air on CBS, CBS Sports Network, CBS All Access and Twitch.

The entire NWSL Challenge Cup will be available to stream on CBS All Access for viewers inside the United States. The tournament’s opening match and the final will also air live on CBS.

Viewers outside the United States and Canada will be able to stream the entire tournament on Twitch. One of the foremost live streaming platforms in the world, Twitch is available on Apple and Android devices, as well as Xbox, Playstation, Fire TV, Roku, Google Chromecast and NVIDIA Shield.
 Included below are the media operations guidelines for the Challenge Cup presented by P&G and Secret. While recognizing the critically important role that the media plays for sport and society, all guidelines have been developed with health and safety as the number one priority.

The media operations guidelines are in addition to venue operations protocols, which include but are not limited to required face coverings, social distancing requirements, assigned arrival/departure times, media-specific entrances/exits and assigned seating/photo positions.

In addition to the availabilities described below, players coaches and technical staff may be available remotely and requests should be made with each club’s communications staff.

### CREDENTIALING

- The credential request process for the Challenge Cup presented by P&G and Secret will open June 18, 2020.

- Up to 13 media credentials (10 press and 3 photographers) will be available for each match.

- During the credential request process, members of the media will be asked to prioritize matches in the event that any match is over-subscribed.

- An approved credential does not guarantee access to a specific match. Utilizing the prioritized requests, an approved list for each match will be distributed 24 to 48 hours prior to the start of each match.

- In order to access the venue on match day, media will need their credential and their name must be on the access list.

- Credentials will be distributed in advance of the tournament via mail whenever possible.

- For on-site distribution, there will be a media will-call attendant at the venue on each match day.

- Media will access the venue during scheduled hours and specific access points.

- The limited number of media in the venue for each match is below:

  **10 press**
  - Priority consideration for press credentials will be:
    - Wire services (i.e. AP, Reuters, etc.)
    - National domestic news organizations
    - News organizations that routinely cover the NWSL, its clubs and athletes
    - Local news organizations for participating teams
    - Major international news organizations

  **3 photographers**
  - Priority for photo credentials will be:
    - ISI, the NWSL photography partner
    - Wire services (i.e. AP, Reuters, etc.)
    - National news organizations
    - News organizations that routinely cover the NWSL, its clubs and athletes
    - Local news organizations for participating teams
    - Bib distribution will take place at media will-call. One-time use bibs are being explored so that media do not need to return them after the match.
MEDIA SEATING AND WORK AREAS
- Distribution of match notes, rosters, lineups and stats will only be done electronically.
- Assigned seating will be in place and there will not be traditional media or photo work rooms.
- Concessions will be unavailable, but limited snacks will be provided.
- Wi-fi and power will be available.

PRE AND POST-GAME PRESS CONFERENCES
- Both head coaches will be available for remote video press conferences the day before each match, pending media requests, and after each match.
- A limited number of players will be available to media via remote video press conference at the conclusion of each match.

ON-FIELD MEDIA
- On-field media will be limited to accredited and approved photographers and essential rights-holding broadcaster and club personnel.
- Photographers must remain in their photo positions during the match and may switch positions at half-time.
- There will be a broadcast position (CBS/NWSL) for post-game interviews utilizing an extended boom mic and a speaker to ensure the players and coaches can hear the questions from distance.
- Each team will provide two players and a coach for the post-match interviews and those interviews will be distributed by the NWSL.

MIXED ZONE
- A traditional mixed-zone availability will not take place.
- As noted above, a limited number of players will be available to media throughout the tournament via remote video press conference format.
Accredited media will be able to observe the final 30 minutes of training from a designated media area near the training pitch. A limit on the number of media able to attend will be instituted if necessary.

Following training, a player and a coach or member of the technical staff for each team will be available near the designated media areas utilizing an extended boom mic and a speaker to ensure the players and coaches can hear the questions from distance. Questions will be routed through a moderator (club/leagues press officers) to avoid passing microphones.
